

Video from the Membership Meeting on Contract Negotiations

The 4Cs, AFT, and AFSCME held a live streaming Membership Meeting last Friday to update everyone on **Contract Negotiations**.

If you were not able to join us live, you can view the video [here](#). (This was our first ever live streaming event, so please forgive a few technological glitches.)

Membership Meeting, 9/30

CT Students for a Dream Educators Conference

You are invited to attend the Connecticut Students for a Dream's 3rd Annual Educators Conference on November 4 at Wesleyan University.

This conference will bring together teachers, counselors, college staff, college access programs, and many others to learn about education and immigration, gain practical skills, and take action to advocate with undocumented students.

This is a great opportunity to meet other supportive people around Connecticut and learn best practices.

You can register [here](#).

If you have any questions, feel free to reach out to Stefan Keller, College Access Program Coordinator, at stefan@ct4adream.org.
