

OUR UNION FAMILY

The 4Cs is an important part of the broader labor movement, both nationally and in Connecticut. Here's how we relate to other organizations.

SEIU **Service Employees International Union**

SEIU is our international union. The international office provides resources to local unions, as well as assistance and direction for major campaigns. Headquartered in Washington, DC, the 2 million-member SEIU represents workers throughout the United States, Puerto Rico, and Canada.

In Connecticut, the 4Cs is part of the **SEIU CT State Council**, a coalition of Connecticut-based SEIU locals. Other members of the coalition are the Health Care Employees Union, District 1199, the Connecticut State Employees Association, SEIU Local 760, and SEIU Local 32BJ, the Justice for Janitors local.

State Employee Bargaining Agent Coalition (SEBAC)

Our health and pension benefits are negotiated in coalition with all twelve unions representing Connecticut state employees. This coalition is called SEBAC (State Employees Bargaining Agent Coalition). We also may work together on issues and legislation affecting all state employees.

Other Coalitions

Coalition of Higher Education Unions: From time to time, the 4Cs joins forces with the other professional unions in the community colleges: American Federation of Teachers (AFT) and the American Federation of State, County, and Municipal Employees (AFSCME).

We also may work with colleagues at the University of Connecticut and the State Universities, represented by the American Association of University Professors (AAUP), to promote public higher education in the state.

Issue coalitions: The 4Cs often works in coalition with other unions and progressive organizations on issue campaigns, such as health care reform, tuition assistance, campaign finance reform, and more.
