Office sought: Treasurer

Statement: (no more than 100 words. Longer statements will be cut at 100th word.)

I bring a strong background and high level of experience to the Treasurer position at the 4Cs. I am proud of the improvements we have made in financial reporting, streamlining the budget process and the resulting additional transparency and control provided in management of the financial activities of our Union. Looking ahead, we are faced with new challenges from the real potential of loss of dues income due to the Janus Decision, as well as the integration of members from the University of Hartford, our first successful private sector organizing effort. I am looking forward to helping meet those challenges.
